Limited Submissions

Limited Submissions Committee  
Tufts University

Tufts Health Plan Foundation
Systems and Best Practices or President’s Leadership Fund

***TUFTS MAY SUBMIT ONLY ONE (1) LETTER OF INQUIRY PER FUNDING YEAR ***

DEADLINES:
Tufts Internal ‘Email of Intent’ Deadline: Friday, December 18, 2015 by 5pm
Required Letter of Intent Deadline: January 20, 2016

For those interested in either focus area, please send an email of intent to the Limited Submissions Team at limitedsubmissions@tufts.edu informing us of an intention to apply. EOI’s received after the deadline will not be considered. The email of intent needs to include:

1. The name of the solicitation and focus area
2. The name and CV/biosketch of the faculty member
3. The subject or title of the proposed project, and
4. An appropriately detailed description of no more than 500 words outlining the proposal.

If the number of PIs interested is greater than one, the Office of the Vice Provost for Research will initiate an internal review process.

PROGRAM INFORMATION: The Tufts Health Plan Foundation supports nonprofit organizations in their work to improve systems and best practices that influence and ultimately result in healthy communities and age-friendly cities. The Foundation will fund activities in Health and Wellness, Workforce Development, Purposeful Engagement, and Field and Capacity Building that will:

• Improve or build systems to support healthy living with an emphasis on the systems that are serving older adults
• Bring organizations together to collaboratively achieve broader impact and change
• Scale efforts to address community needs

New to the Foundation is the President’s Leadership Fund, which is designed to support community leaders in their work with multiple stakeholders toward a common community goal. This work could include current or new activities that directly or indirectly lead to age-friendly communities and address barriers to success in the most vulnerable communities. The Foundation will consider the intersection between policy and practice as well as collaborative community work in the built environment, transportation, housing, social and civic participation and inclusion, employment, communication and information, and community support and health services.
