Should the number of interested applicants exceed the number allowed by the funder, an internal selection process will be conducted by the Office of the Vice Provost for Research, and candidates will be notified to submit internal application materials. All candidates will be notified of results. NB: Successful applications must include official notification from the Limited Submissions Team in order to submit. For more information, please see <http://viceprovost.tufts.edu/resources/funding/limited-submissions/>

### PROGRAM PURPOSE:

- To support the independent research of outstanding early-career scientists who have recently been appointed as assistant professors on a tenure-track appointment.

### PROGRAM REQUIREMENTS:

- Applicants must be pursuing independent research careers in biochemistry, cell biology, genetics, immunology, neuroscience, pharmacology, and related areas in chemistry, medicine, and the biological sciences.
- While the project can include both clinical and basic components, the program does not support purely clinical research
- Interested in the potential of applicants to make innovative and high-impact contributions to research over an extended period of time.

**ELIGIBILITY:** Candidates should have begun their appointment as an independent investigator at the assistant professor level on or after July 1, 2017. The appointment must be their first tenure-track position; please follow [Tufts PI eligibility policies](#).

**AWARD INFORMATION:** \$300,000 total costs; \$100,000 per year for three-year term. Indirect costs are not allowed.
