BioLabs designs and operates premium lab and office spaces around the world. Through strategic partnerships with prominent real estate developers and premiere innovation partners, BioLabs has grown a network in Class-A laboratory buildings across established and emerging biotech clusters. BioLabs is expanding internationally to launch sites in Germany and France in 2022.

Flexible terms, world-class amenities, and white glove services allow life science innovators to work, collaborate, and host events. And by admitting only the most promising companies, BioLabs members are surrounded by a community of peers.

Tufts Launchpad | BioLabs

About Tufts Launchpad | BioLabs

Tufts Launchpad | BioLabs is a 15,000 sqft facility that features Class-A shared and private laboratory and office space. The site is fully equipped and permitted, providing early-stage life science companies with the infrastructure, equipment, operational support, and industry connections they need to build and grow their startups.

Situated in one of the most dynamic biotech ecosystems in the world, Tufts Launchpad | BioLabs is home to 20+ early-stage life science startups. The site is strategically located on Tufts Medical Campus in downtown Boston, providing resident companies with convenient access to Tufts University’s core facilities, a range of public transit options (including commuter rail via South Station and subway transit via multiple nearby T stations), and other local amenities.

Around the Neighborhood

Nearby transit and other amenities within walking distance include:
- Tufts University’s Core Facilities
- South Station Train Terminal
- Chinatown, Boylston, and Park Street T stations
- High Street Place Food Hall
- Chinatown Restaurants and Cafés
- Downtown Crossing Restaurants and Cafés
- Rose Kennedy Greenway & Seasonal Food Trucks

Membership Benefits and Services

24/7 access to premium lab and office space, including access to shared resources.

Centralized group purchasing system—BioLabs Marketplace is a pharma-grade procurement system that simplifies your accounting, offers dramatic discounts from top life science vendors, and includes shipping and receiving services.

Access to common shared areas including conference rooms, kitchen & café, event spaces, and more.

Access to core facilities and services through our partnership with Tufts University.

Access to support lab facilities & state-of-the-art shared equipment, including tissue culture suites and microbiology rooms, qPCR, HPLC, flow cytometer, microscopes, plate readers, centrifuges, fume hoods, autoclaves, and much more—all maintained and managed by BioLabs.

On-site concierge services including scientific support and events staff.

Membership to MassBio, the nation’s oldest biotechnology trade organization, which represents and provides services and support for the Massachusetts life sciences industry.

Environmental Health & Safety support and hazardous waste management including chemical and biohazard waste disposal, safety training for your team, incident response planning, and OSHA compliant emergency eye washes, shower stations, and fire extinguishers.

Access to leading community and industry partners including top pharma companies and life science groups.

Programming and networking—Educational and social events hosted by a wide network of sponsors and business leaders from the biotech and pharma industries.

Ultra-flexible membership terms—Rent one bench at a time, one month at a time. Grow organically, without a long-term commitment!
Membership Benefits and Services

Lab Equipment and More
- HPLC
- Microscopes
- Flow cytometer
- Blot and gel imagers
- Plate readers & washers
- Multiplex systems
- Cell counters
- Thermal cyclers
- Fume hoods
- Sterilizers and autoclaves
- Freezers (-80°, -20°, LN2)
- Refrigerators
- Ultracentrifuge
- High-speed centrifuge
- Chemical storage
- Incubators & shakers
- Lab coats & laundering
- Lab ice & dry ice
- Refrigerators
- Biosafety cabinets
- Compressed air

Tufts University Core Facilities
- AAALAC Accredited Vivarium
- Imaging and Microscopy
- Histology and Pathology
- Flow Cytometry
- Mass Spectrometry
- Next-Gen Sequencing
- Genomics
- NMR and X-ray Crystallography
- Micro and Nanofabrication Facility

Monthly Membership
$400 Per Person Per Month
Access to conference rooms and non-laboratory amenities, including café services, events, and educational programming.

Laboratory Bench
$3,600 Per 5 ft. Bench Per Month
Access to fully equipped co-working laboratory. Start with a single bench and scale up as you grow.

Private Lab
Inquire for Pricing

Office Workstation
$600 Per Workstation Per Month
Dedicated workstations and access to fully equipped conference rooms, phone booths, and non-laboratory amenities.

Private Office
Inquire for Pricing

For pricing, visit biolabs.io/tufts-boston
Our Space

- 9 Private Offices
- 50+ Desks in Shared Office Space
- 50+ Lab Benches in Shared Lab Space
- 3 Private Labs (150 sqft – 500 sqft each)
- 3 Conference Rooms
- 3 Phone Booths

Common Support Labs
- Tissue Culture
- Microbiology
- Microscopy
- Refrigerators and Freezers

Common Areas
- Phone Rooms
- Kitchen & Cafe
- Reception
- Wellness Room
- Conference Rooms
- Shipping & Receiving
- and more

Tufts Launchpad | BioLabs offers extensive sponsorship and partnership opportunities. This allows our sponsors and partners to support and engage with innovative local life science startups that are developing groundbreaking technologies. It also enables opportunities to build long term relationships and establish partnerships between sponsors and BioLabs’ resident companies.

BioLabs works with sponsors from different sectors of the life sciences community. This diversity supports BioLabs’ overall mission of providing the best services and network to our resident companies and enables them to focus on their meaningful science.

Our sponsors include:
- Pharmaceutical companies
- Biotech companies
- Analytical instrumentation companies
- Legal firms, CRO’s
- Academic Institutions
- And more
