Should the number of interested applicants exceed the number allowed by the funder, an internal selection process will be conducted by the Office of the Vice Provost for Research, and candidates will be notified to submit internal application materials. All candidates will be notified of results. NB: Successful applications must include official notification from the Limited Submissions Team in order to submit. For more information, please see http://viceprovost.tufts.edu/resources/funding/limited-submissions/

PROGRAM PURPOSE:
- To support and assist state, local, territorial, and tribal jurisdictions in improving efforts to reduce violent crime by creating a training and technical assistance (TTA) program that assesses and confronts violence in schools

PROGRAM REQUIREMENTS:
- The training and technical assistance center must serve as a resource for information and research about national and statewide school safety initiatives, and collect and disseminate information on school safety initiatives and school safety data
- Applicants must leverage and build upon existing school safety TTA services readily available through BJA, COPS Office and other agencies
- Recipients must address the following deliverables (for more detail, please see link below)
  - Create a comprehensive TTA program, primarily but not exclusively for STOP grantees, which identifies core capacities for creating safe and secure educational environments
  - Establish a multidisciplinary TTA delivery team that includes subject matter experts (identified in the proposal) from across the continuum of STOP grantee activities
  - Describe a plan to assess and support new STOP grantee projects, core capacities, and their TTA needs, ensuring that follow-up intensive assistance is available to grantees related to application of promising and evidence-based practices and planning for STOP project implementation and sustainment

ELIGIBILITY: Applicants must have expertise and experience in managing TTA for evidence-based school safety programs that are national in scope; must have the expertise to be able to assist STOP grantees in developing evidence-based school threat assessment processes and plans, and assist with their implementation; please follow Tufts PI eligibility policies

AWARD INFORMATION: A single cooperative agreement will be funded up to $6 million for a period of up to 36 months.
