DEADLINES:
Tufts Internal Email of Intent Deadline: Sept 24 by noon
Sponsor Deadline: LOI due Nov 1 by 5pm | Full Proposal Jan 15, 2020 by 5pm

For those interested, please send an email of intent to the Limited Submissions Team at limitedsubmissions@tufts.edu informing us of an intention to apply. EOI’s received after the deadline will not be considered. The email of intent must include:

1. The name of the solicitation,
2. The name of the Principal Investigator, and any co-PI's,
3. A 2-3 sentence description of the proposed project,
4. The funding track for your proposed project.

Should the number of interested applicants exceed the number allowed by the funder, an internal selection process will be conducted by the Office of the Vice Provost for Research, and candidates will be notified to submit internal application materials. All candidates will be notified of results. NB: Successful applications must include official notification from the Limited Submissions Team in order to submit. For more information, please see http://viceprovost.tufts.edu/resources/funding/limited-submissions/

PROGRAM PURPOSE:
• To broaden the implementation of evidence-based systemic change strategies that promote gender, racial, and ethnic equity among STEM faculty.

PROGRAM REQUIREMENTS:
• All ADVANCE program tracks must use intersectional approaches in and throughout the design of systemic change strategies for STEM faculty in recognition that gender, race, and ethnicity do not exist in isolation from each other and from other categories of social identity.
• Funding tracks are:
  o Adaptation: Adaptation and implementation of evidence-based change strategies by a single non-profit.
  o Partnership: Projects designed to result in the regional or national diffusion and/or scale-up of evidence-based systemic change strategies involving two or more partners.
  o Catalyst: Design and implementation of an organizational self-assessment to identify STEM faculty inequities, pilot equity strategies, and develop a five-year equity strategic plan for STEM faculty.
• There is no limit on the number of Partnerships projects for which Tufts can serve as a partner.

ELIGIBILITY: No agency restrictions; please follow Tufts PI eligibility policies

AWARD INFORMATION: Adaptation awards will be funded up to $1 million over a three-year period; Partnership awards will be funded up to $1 million over a three- to five-year period; Catalyst Awards will be funded up to $300,000 over a two-year period. Adaptation projects may qualify for an additional $100,000 for collaborating with an NSF funded graduate education project and up to three of the six Partnerships projects may qualify for an additional $250,000 for collaborating with the NSF INCLUDES National Network.
